TAKE FULL ADVANTAGE OF THE TALAR MEDICAL ORDER PORTAL

The Talar Medical ordering portal has many powerful features that can help streamline your inventory management process, saving you time and money! And the best part is, they all come at no additional cost to you!

ORDER NOW

TALARMEDICAL.HYBRENT.COM

We have an app!

The Talar Medical ordering portal has a user friendly app designed with your convenience in mind. It is available on both the Apple Store and Google Play. Just follow these 4 simple steps:

1. Search for "Hybrent" in the Apple Store or Google Play.
2. Type in "talarmedical" for site name
3. Enter username & password
4. Place your first order!

If you don't know your username or password feel free to contact our member services team to help!

Scan in/Scan out

Our goal is to make your inventory management more manageable. Take advantage of our scan-in scan-out inventory management system accessible through our Talar Medical ordering portal app. That's right, bring the portal straight to your supply closet and never forget an item again!

Favorites List

No Cart Expiration

Did you know you can add items to your portal cart without it expiring? Feel free to add inventory you know you need on your next order as you start to get low. When you are ready, simply go into your cart and place your order.

Reporting

One of the many perks of the Talar Medical ordering portal is the array of reports you have at your fingertips. You can quickly find your top items purchased, your current spend on supplies ordered, spend per vendor, and much more! It is a #TalarTip your accountants are sure to love!

Tracking Your Order

Wondering when you can expect your order?

You can find the status of your order along with tracking numbers directly from the portal. Simply click "Shipments" on the left hand menu bar from the portal dashboard.
